

Our 50<sup>th</sup> Anniversary Year has begun!

Please join the 50<sup>th</sup> Anniversary Committee  
in extending very special thanks to  
Charles Werly  
for the creation of this beautiful logo.

The 50<sup>th</sup> Anniversary Committee  
plans to sponsor one event each month to  
celebrate our Anniversary Year.

Many factors have been considered in the  
selection of these events.  
We will look back & we will look forward.  
On the night of our first event  
we looked back to celebrations of the past.

January 6, 2009  
Feast of the Epiphany

We celebrated Holy Eucharist using the  
Liturgy of the 1928 Book of Common Prayer.

The Collect for the service begins:  
“O God, by the leading of a star  
you manifested your only Son  
to the peoples of the earth...”

Nativity Scenes were used as centerpieces  
following the theme set forth in the lessons.

We remembered the years when parishioners  
brought their Christmas trees to St. Luke's for a  
traditional Epiphany Bonfire.  
That tradition will remain in the past because it  
has proven to be impossible to burn today's live  
trees because they're treated to be fire-retardant.

Therefore, on Epiphany 2009, we carried out  
votive candles to line the sidewalks and  
to symbolize the belief that we are still called  
to manifest Christ's light in the world today.

In addition to worship,  
celebrations at St. Luke's  
always seem to include food & fellowship.

Edith Sheahan, founding member,  
provided her “recipe” for the Epiphany Cake.

Based on the items hidden in the cake  
we assembled a “Royal Court” for the evening:
