You will be able to see photos taken at all our special events.

Please note that we need your help in collecting information and photos about past events at St. Luke's.

The 50th Anniversary Committee needs your help preparing a time line.

The time line will be displayed in decades along both sides of the main interior hallway.

We plan to add information weekly as items are brought in from parishioners and as the committee members continue to research the history of St. Luke's.

We are providing "paper cutouts" so that parishioners can add their own personal histories to the time line by marking events that were held at St. Luke's:

- Marriages..... "dove"
- Births....."babies on pink or blue paper"
- Baptisms..... "cross on yellow paper"
- Confirmations..... "cross on red paper"
- Funerals..... "cross on black paper"
- Parish membership..... " key on green paper"
- Moving away..... "car"

Other special events occurring at St. Luke's will be noted with "gold stars."

You will find these "paper cutouts" in the Narthex on the table below the 50th Anniversary Bulletin Board.

Please turn-in your information to Carol Garton or any other committee member.
