

Mowers Recognition

It is always a pleasure to lift up the great people that I am privileged to work with. This time it is those who give of their time to keep the grounds mowed.

First, a word about how I wound up leading this fine group. It began back during my first tour as Junior Warden. Mike Jones and I began mowing each week, and it soon became clear we needed more people involved. Mike began recruiting and I assumed he would lead. He didn't want it—I was drafted.

What this entails for each of us is simply, after training, giving of up to six hours for wonderful bone jarring exercise in the sun to mow around the church and the field just south to the park. This can be done either during the week or on the Saturday of the week each is scheduled.

When naming those who are or ever have been involved, I am always afraid of forgetting someone. So if I do please forgive me and let me know so I can get you listed. Those who are currently involved or have been in the past are:

Jerry Lispi, Mike Jones,
Gary Ball, Jim Darnell, Tom Grandgenett,
Marlin Howard, David Kahn, Jim McCain,
Mack McCallum, Terry McCallum.
My one courageous lady Cindy Speicher,
David Uhrmacher, Gene Avery & Craig Burris.

I look forward to continuing to work with this team, however, I have always said that the more that volunteer for this ministry the less we all have to do. So if anyone wishes to join us please let me know.

In His name,
Craig Burris
