

### **Altar Guild Recognition**

The altar guild is a group of members that works behind the scenes and at the direction of the rector.

In the words of Father Yonkman, an altar guild member should be willingly to give their time and devotion to serve.

What does an altar guild member do?

They set up the elements needed for the services on a Sunday morning, weddings, funerals, or outdoor services.

An altar member arranges everything for the altar and makes sure it is in the proper place on the altar, free standing altar, and credence table.

The altar members make sure the flowers, wine, wafers, candles and oil are purchased for the services.

They make certain that we have enough wafers for each service in the ciborium and extra in the bread box.

Altar guild members also hang the banners, clean the silver, linens, baptismal font and fair linen that is on the altars.

The altar guild assists the priest on Maundy Thursday when the altar is stripped.

Next Saturday, April 4<sup>th</sup> at 10:00 am the altar guild will meet to make palm crosses. Everyone is invited to come and participate.
