

General Convention Legislative Summary

Anglican Communion

Encouraged dioceses to urge their congregations and institutions to pray for our sisters and brothers in the Diocese of Jerusalem and the Middle East; visit the Christian congregations in the Holy Land; receive visitors from the Holy Land; work for justice, peace, and reconciliation in the Holy Land with renewed commitment; and urge elected officials and policy makers to seek solutions that will realize these goals (A015).

Affirmed that no resolution of the General Convention is intended to affect either the historic separate and independent status of the churches of the Anglican Communion or the legal identity of The Episcopal Church (B032).

Anglican Communion/Windsor Report

Reaffirmed the commitment of the Episcopal Church to the fellowship of churches that constitute the Anglican Communion and desire to live into the highest degree of communion possible; and asked, as an expression of interdependence, the Presiding offices of both Houses to work with the Anglican Communion to explore ways by which there might be inter-Anglican consultation and participation on standing commissions of the General Convention of the Episcopal Church (A159).

Expressed its regret for straining the bonds of affection in the events surrounding the General Convention of 2003 and the consequences which followed; offered "its sincerest apology to those within Anglican Communion who are offended by our failure to accord sufficient importance to the impact of our actions on our church and other parts of the Communion;" and asked forgiveness (A160).

Affirmed the centrality of effective and appropriate pastoral care for all members of this church and all who come seeking the aid of this church; recognized "the agonizing position of those who do not feel able to receive appropriate pastoral care from their own bishops;" urged bishops to seek the highest degree of communion and reconciliation within their own dioceses, using, when requested in good faith, the Delegated Episcopal Pastoral Oversight (DEPO); urged continued maintenance of historic diocesan boundaries, the authority of the diocesan bishop, and respect for the historical relationships of the separate and autonomous Provinces of the Anglican Communion (A163).

Committed the church to the ongoing Windsor Process, "a process of discernment as to the nature and unity of the Church, as we pursue a common life of dialogue, listening, and growth, formed and informed by the bonds of communion we share," and to the Windsor Listening Process (A165).

Supported, as a demonstration of commitment to mutual responsibility and interdependence in the Anglican Communion, the process of the development of an Anglican Covenant and directed certain bodies to monitor the process and offer resources (A166).

Called upon standing committees and bishops with jurisdiction to exercise restraint by not consenting to the consecration of any candidate to the episcopate whose manner of life presents a challenge to the wider church and will lead to further strains on communion (B033).

Anti-Racism

Applauded the training provided by the Anti-Racism Committee and Church Center staff (A092).

Archives

Authorized the Archives to proceed with exploration of plans to possibly relocate on or before January 1, 2010; to campaign for the necessary funds and, if successful, establish an endowment for maintenance of the Archives; and if deemed appropriate, to access funding through a new 501-c-(3) tailored to ensure no diversions of assets or properties to any body other than the Episcopal Church. The Board of the Archives and the Archives Strategy Committee will be working with the Executive Council (A143).

Endorsed the Archives' website and the digital archives as an official site and electronic archive of the church; charged the Archives with responsibility to create an authentic, accurate, and trustworthy record; and requested budgetary funding (A145).

Budget

Adopted Pastoral Leadership Search Effort (PLSE) as an ongoing initiative and requested the Joint Standing Committee on Program, Budget & Finance (PB&F) to consider a budget allocation of \$385,906 (A089).

Amended Joint Rules of Order IV.15 to provide that resolutions calling for expenditure of any monies will be unfunded if coming to the floor after the adoption of the triennial budget (D015).

Endorsed statement of mission priorities (in rank order: justice and peace, including support of the Millennium Development Goals; youth, young adults and children; reconciliation and evangelism; congregational transformation and partnerships) for the 2007-09 triennium and directed the Joint Standing Committee on Program, Budget & Finance to use these priorities in forming the Budget for the Episcopal Church (D031).

Adopted a unified budget including canonical, corporate, and program (mission) portions for the 2007-2009 triennium of \$152,002,295 (D079).

Children

Urge Episcopalians and the Episcopal Church to work to ensure that governments provide adequate funding for programs that combat social and economic conditions which place children at risk or diminish children's ability to achieve their full potential in

General Convention Legislative Summary

the world, and endorsed the National Council of Churches (NCC) comprehensive policy statement, entitled "The Church and Children: Vision and Goals for the 21st Century Policy" (B018).

Civil/Human Rights of LGBT people

Reaffirmed the Episcopal Church's support of gay and lesbian persons as children of God and entitled to full civil rights; reaffirmed 71st General Convention's action calling upon all levels of government to give gay and lesbian couples the same protections afforded non-gay married couples; and opposed any state or federal constitutional amendment that prohibits same-sex civil marriage or civil unions (A095).

Reaffirmed that gay and lesbian persons are, by Baptism, full members of the Body of Christ and of the Episcopal Church; reiterated its apology to its members who are gay or lesbian, and to lesbians and gay men outside the Church, "for years of rejection and maltreatment by the Church;" pledged to include openly gay and lesbian persons on every committee, commission or task force developed for the specific purpose of discussing issues about sexuality and request the same of our sister churches in the Anglican Communion (A167).

Declared efforts to criminalize homosexual behavior incompatible with the Gospel of Jesus Christ (D005).

Clergy/Clergy Wellness

Approved a study of the optimum mandatory resignation age for clergy in collaboration with Church Pension Group, including details on the implications for pension benefits (A083).

Affirmed the efforts of the Church Pension Group to establish appropriate formulae for pensions which meet the existing and future needs of clergy in the overseas dioceses where compensation for service has been limited by standards and costs of living (A121).

Affirmed the work of the Church Pension Group in considering ways to respond to the particular needs of ordained women as they approach retirement (A140).

Recognized need for an ongoing program devoted to the wellness of families of clergy and clergy; commended FOCUS for the creation of a resource guide and asked for funds for the Office of Ministry Development to provide oversight and coordination with FOCUS and similar programs (B001).

Expressed appreciation to the Church Pension Fund for the creation of a network of diocesan chaplains to the retired clergy, spouses and surviving spouses; and encouraged every diocese to appoint such chaplains (B003).

Commended CREDO Institute for "Episcopal Clergy Wellness: A Report to The Church on the State of Clergy Wellness," and affirmed its recommendations (D033).

Requested that Church Pension Fund investigate formula for awarding credited years of service for the pension fund participants receiving part-time compensation (D048).

Requested that Church Pension Fund study the feasibility of a family leave pension waiver policy and report to 76th General Convention (D065).

Asked Church Pension Fund to study retirement benefits of clergy ordained in another Anglican jurisdiction who have since joined the pension fund and report to the 76th General Convention (D075).

Commendation / Courtesy

Offered continued prayers, thanks, support and advocacy for the victims of Hurricanes Katrina and Rita; expressed deep appreciation and thanks, and urged continuing support for Gulf Coast churches and dioceses as they rebuild and minister to the congregations and individuals of their diocese (A066).

Congratulated the Most Venerable Order of the Hospital of St. John of Jerusalem and commended it for its continued work and witness (B005).

Expressed gratitude for new House of Deputies President Bonnie Anderson and Vice President Brian Prior, and their commitment to the Church and the reconciling mission of God's work in the world as they lead the preparation for General Convention 2009 (D097).

Communications/Technology

Directed the Church Center and other church bodies to adopt industry appropriate "best-practices" when adopting new technology and in making communication decisions; and directed a task force be named as volunteer consultants as needed to help the entities of the church implement this guideline. These persons shall be appointed by the Presiding Bishop and the President of the House of Deputies, in consultation with the Chief Operating Officer of DFMS (A048).

Urged the church to move toward adopting recognized open standards for data used in its electronic communications and data storage. (A049).

Directed the Committees, Commissions, Agencies and Boards (CCABs) of the General Convention to begin a process to accomplish an appropriate portion of their work more efficiently and economically by using online tools, conference calls and video conferences (A051)

General Convention Legislative Summary

Endorsed a position of provincial communication specialist for each of the nine provinces to assist in the implementation of the communication strategy of the church, and work directly with congregations and dioceses in the province to build connections for regional communication; requested PB&F consider a budget allocation of up to \$9,000 for each year for a total of \$27,000 for implementation (A052).

Directed the Standing Commission on Episcopal Church Communication to organize an information technology cooperative network for dioceses and congregations of the Episcopal Church (D082).

Congregations

Instructed House of Deputies Committee on the State of the Church to work with the director of research for the Episcopal Church to conduct a survey of congregations of the Episcopal Church during each triennium; and requested that PB&F consider a budget allocation of \$48,500 for implementation (A006)

Employment Practices

Continued the Task Force to Study Employment Policies and Practices in the Episcopal Church during the coming triennium with the intention of offering a resolution to the 2009 General Convention which will strive to make the Episcopal Church a fair and just workplace (A125).

Endorsed the Church Pension Group's proposal to conduct a church-wide study of the costs and issues surrounding the provision of healthcare benefits to all clergy and lay employees serving churches, dioceses and other church institutions and to report their findings to the 76th General Convention (study to include an analysis of the potential for a mandated denominational healthcare benefits program and other viable alternatives) (A147).

Environment

Affirmed that Global Warming threatens the future of God's good creation, that the effects disproportionately hurt the lives of

General Convention Legislative Summary

the poorest and most vulnerable, and resolved that the church and all its members should seek to reduce global warming including advocating for legislation and through various efforts addressed to corporations (B002).

Recognized that the use of fossil fuels harms air quality and public health and is contributing to changes in the global climate; affirmed that the Christian response to global warming is a deeply moral and spiritual issue; reaffirmed previous Convention resolutions and urged the church to consider prayerfully whether to partner with Interfaith Power and Light (C018).

Evangelism and 20/20

Reaffirmed commitments to improve the health of congregations and the church by faithfully living out the Great Commission (Matthew 28:18-20) and working toward the goals of 20/20 (A037).

Established a Church Planting Initiative to raise money for new congregations in the dioceses of this Church (A042).

Directed development of a strategy for a model missionary initiative, including both evangelism and service, for the Lake Pontchartrain Basin Area (New Orleans, North and East Shore), to support overall church evangelism and the 20/20 goals, while providing a model and a test-bed for organization in areas of natural disaster or economic impoverishment (B011).

Acknowledged the report of the Joint Commission on Domestic Mission and Evangelism which states the Episcopal Church "may be in systemic decline" (Blue Book, Page 103), asked for the Office of Mission and the Standing Commission on Domestic Mission and Evangelism to initiate a national consultation on methods and strategies to identify best practices to reverse the decline in mainline denominations and recommend strategies to the 76th General Convention (B023).

Evolution

Affirmed that God is Creator; stated "an acceptance of evolution is entirely compatible with an authentic and living Christian faith;" and called for church members to strongly encourage legislatures and school boards to "establish standards for science education based on the best available scientific knowledge as accepted by a consensus of the scientific community" (A129).

General Convention

Agreed to consider Charlotte, North Carolina; New Orleans, Louisiana; Indianapolis, Indiana; and Kansas City, Missouri for the 77th General Convention (A001).

Directed the Office of the General Convention to convey electronically to all bishops, deputies, and alternates all filed resolutions on a weekly basis beginning 60 days before the opening day of General Convention (A154).

Directed the Joint Standing Committee on Planning and Arrangement to make age-appropriate care and educational programs for children birth to age twelve available during all future General Conventions; and encouraged similar provisions for all diocesan and provincial synod meetings (D059).

Historically Black Colleges

Commended the leadership of the three historically black colleges of the Episcopal Church (St. Augustine's, St. Paul's, and Voorhees) and requested PB&F to restore \$300,000 to the current budget to bring the funding to its original 2003 approved level, in the amount of \$3,807,000 (C045).

Encouraged use of liturgical resources in the "Enriching Our Worship" series as appropriate for Sunday worship (A136).

Directed the SCLM to collect and develop materials to assist members of the Church to address anti-Jewish prejudice expressed in and stirred by portions of Christian scriptures and liturgical texts, with suggestions for preaching, congregational education, and lectionary use; and to report to the 76th General Convention (C001).

Recognized the provision of the Constitution and Canons (I.17.7), that only those who have been baptized in the name of the Father and of the Son and of the Holy Spirit are eligible to

receive Holy Communion; asked that the Theology Committee of the House of Bishops work with others to provide to the 76th General Convention a pastoral and theological understanding of the relationship between Holy Baptism and Eucharistic practice (D084).

Millennium Development Goals/Economic Development

Received and affirmed "Call to Partnership," the communiqué presented to the United Nations Summit by participants in the Consultation of Religious Leaders on Global Poverty, the work of achieving the Millennium Development Goals (MDGs) and the work of the church's officers, dioceses, congregations, baptized members, and Episcopal Relief and Development in undertaking and supporting partnerships for global development in impoverished countries and called for the expansion of this work (A010).

Established working toward the achievement of the Millennium Development Goals as a mission priority for the coming triennium, and urged each diocese, congregation and parishioner to commit to 0.7 percent giving toward the goals by July 7, 2007 (07/07/07);

Endorsed The ONE Campaign, the U.S. movement for the MDGs, through the Episcopal Church's ONE Episcopalian campaign; called on all to join the ONE Episcopalian campaign and endorse The ONE Campaign's call for the United States government to annually spend an additional one percent of its budget to combat global poverty (D022).

Ministry Development

Called upon the Executive Council and dioceses to affirm the vital importance of college and university ministries; encouraged recognition of campus ministries with canonical status as mission congregations, when appropriate (A041).

Instructed the Standing Commission on Ministry Development to create and disseminate materials to assist leaders in ministry to recognize and respond to evidence of abuse, and report to the 76th General Convention (A086).

Offered thanksgiving for the gift of all women in ministry; encouraged dioceses to celebrate these ministries in ways appropriate to their locale, including that the "pioneers in the ordination of women in all orders be part of this celebration and that their witness and courage be recognized"; continued to encourage dioceses that as yet have not ordained women to the priesthood to provide for the ordination and exercise of priestly ministry by women in their dioceses (A139).

Mission

Directed the offices of the Director of Mission to develop new leadership programs and/or to endorse existing leadership training programs for use at the diocesan level which help bishops and diocesan leadership in developing strategies,

General Convention Legislative Summary

quantifiable action plans and timelines for accelerating their mission performance; to develop quantitative measures of accountability for diocesan mission performance and requested programs include a mechanism for dioceses to share their "best practices" and "lessons learned" in the process of accelerating their mission performance (A038).

Directed the Standing Commission on Domestic Mission and Evangelism to explore the possibility of a new definition for "Missionary Dioceses" (A087).

Urged the Joint Standing Committee on Planning and Arrangements, in consultation with the Executive Council, to enable a participatory, vision focused dialogue on the mission of the church to take place at the 76th General Convention (D043).

Reconciliation

Direct the Office of Ministry Development to identify and evaluate materials for formal faith-based reconciliation training appropriate for all ages, and to promote their use; urged the House of Bishops to participate in formal reconciliation training during the next triennium in order to prepare to carry the skills and tools of faith-based reconciliation home to their dioceses (A039).

Urged each member of the 75th General Convention to offer him/herself to an individual from whom he/she has become separated, asking Christ's forgiveness from that person before the close of this Convention; and, upon returning to their worshiping communities, invite their church to participate in a similar act of reconciliation (A101).

Reparations/Slavery

Declared the institution of slavery was and is a sin that continues to plague the common life in the church and the culture; expressed profound regret "that (a) The Episcopal Church lent the institution of slavery its support and justification based on Scripture, and (b) after slavery was formally abolished, the Episcopal Church continued for at least a century to support de jure and de facto segregation and discrimination;" apologized for the church's "complicity in and the injury done by the institution of slavery and its aftermath; we repent of this sin and ask God's grace and forgiveness;" asked for a report to the next Convention "on how the Church can be 'the repairer of the breach, (Isaiah 58:12), both materially and relationally;" requested the Presiding Bishop to name a Day of Repentance and on that day to hold a Service of Repentance at the National Cathedral, and each Diocese is requested to hold a similar service (A123).

Endorsed the principles of restorative justice; called upon the Anti-Racism Committee of Executive Council to design a study and dialogue process and materials in order to engage people of the church in storytelling about historical and present-day privilege and under-privilege, as well as discernment towards restorative justice and the call to fully live into our baptismal

covenant; asked that "the Church hold before itself the vision of a Church without racism; a Church for all races" (A127).
