REGARDING COVID-19

(Corona Virus)

At St. Luke's Episcopal Church, the health and well-being of our congregation is of paramount importance.

If you are experiencing any cold or flu-like symptoms (fever, sore throat, coughing, shortness of breath), please stay home. Let us know you are unwell and how we can help by emailing Deacon Karen or Fr. Jonathan.

VISITOR
TRAINING!

VISITOR TRAINING

On May 2, from 10 a.m. to Noon, St. Luke's will host our friends from St. Paul's KCK and St. Michael & All Angels for a deacon-guided training. Bishop Cathleen asked that churches organize into "minsters" to support each other and use resources effectively. We three churches are known collectively as the Kansas River Minster. Let [Deacon Karen Wichael](#) know you are interested in attending, and learn to visit parishioners like a pro.

CONGRATULATIONS, CHRISTY!

Christy Keller invites you to celebrate her graduation, Sunday, May 3, from 1:30-3:30 p.m., at the Matt Ross Community Center "Hearth Room" (8101 Marty St. in Overland Park). RSVP to Christy at 913-708-0187.

"POUNDING" WELCOME

The Rev. Jonathan & Shara Brice thank the St. Luke's family for the generous "pounding" of welcome! The gifts are gratefully appreciated and are so helpful as we settle into our new home. Thank you for your thoughtfulness!

Regarding COVID-19 **(Corona Virus)**

Within our church, we will all work together to help prevent the spread of COVID-19 by agreeing to:

- Stay home when you are sick, except to get medical care.
- Suspend handshaking or other direct physical contact during the sharing of the peace or during blessings.
- Priests and lay leaders presiding at the Eucharist will wash their hands thoroughly.
- Suspend use of communal wine. Offer Communion only through the consecrated wafer.
- Keep tissues with you and cover your coughs and sneezes with a tissue, then throw the tissue in the trash.
- Cough/sneeze into elbow if tissue is out of reach.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Keep disinfectant with you.
- Clean frequently-touched surfaces and objects daily.

Be mindful of ways we can care for those within our neighborhoods and communities, and increase outreach through telephone calls, texts and emails with those who are isolated.

We appreciate your patience, cooperation, flexibility and input while we work through these issues.
